Ecological Forestry, Wildland Firefighting and Prescribed Fire

Job Announcement

Lomakatsi is seeking a qualified Wildland Engine Boss

- ✓ Do you want to be a part of a **diverse restoration ecosystem workforce based out of Ashland?**
- ✓ Are you in search of **full-time, year-round employment with benefits?**
- ✓ Do you want to make a **career in wildland fire management as well as ecological forestry?**

Lomakatsi Ecological Services (LES) is seeking a qualified Engine Boss to join the team for our 2019-21 USFS Region 6 Water Handlers (R6) wildland fire suppression contract. Qualified individuals are encouraged to apply. In addition to being an Engine Boss on the IFCA contract, this is an opportunity to work with a team of fire managers for year-round employment to fill a key position for our forestry crew and controlled burning/pile burn operations. At a minimum, LES could hire this individual prior to fire season with technical and labor duties, as assigned. Opportunities include providing water resources for prescribed burning and riparian plantings, as well as offering technical forestry support for project work.

Date of hire to be determined through interview process, with estimated date of hire in May 2019, by no later than the start of fire season (early June).
