Tribal Ecological Forestry Training Program

funded through ***OREGON CONSERVATION CORPS***

LOMAKATSI
RESTORATION PROJECT

Paid to Train

Want to work outside, learn valuable skills, and care for your ancestral lands?

INTER-TRIBAL
ECOSYSTEM RESTORATION
PARTNERSHIP

February 16 - June 5, 2026

Earn $12,800 through full-time program
For tribal young adults ages 18-26

Join a 10-member inter-tribal forestry and fire crew for 16 weeks to gain professional training, certification, and experience in forest restoration, technical forestry, cultural resource management, prescribed fire, and wildland firefighting.

Work alongside Lomakatsi's professional foresters, fire and cultural resource specialists, technicians, and crew leaders! You'll emerge with the skills and professional certifications to pursue related careers immediately after the program.

- **Basic fire fighting training (40 hours)**
  - **S-130 Firefighting Training**
  - **S-190 Introduction to Wildland Fire Behavior**
  - **L-180 Human Factors in Wildland Fire Service**
  - **Incident Command Systems**
    - **FEMA IS-100 C, FEMA IS-700 B**
- **S-212 Wildland Fire Chain Saws**
- **CPR and First Aid**
- **Cultural resource monitoring certification**

Transportation provided from pickup locations in Klamath Falls and Chiloquin. Work gear and safety equipment provided.
Lomakatsi is an equal opportunity provider.
