

# SUMMER JOBS IN THE GREAT OUTDOORS

## Wild Rivers Youth Ecological Training & Employment Program

A 4-week, paid, hands-on restoration learning experience for juniors and seniors from Cave Junction – Grants Pass area high schools.

**July 26 - August 19, 2021**

**32 hours/week | Monday-Thursday | \$12/hour**

**Want to get paid to work outside, learn, and make the world a better place?**

Join Lomakatsi to restore the forests and streams of the Illinois Valley this summer. Using beautiful Josephine County as an outdoor classroom, you'll work on stewardship projects, build valuable job skills, and learn about career paths in ecology and natural resources.

Under the guidance of Lomakatsi's professional restoration staff and educators—as well as through guest presentations by natural resource specialists—you will take part in:

- Ecological Restoration
- Technical Forestry
- Ecological Monitoring
- Watershed Management
- Invasive Species Control
- Botany & Soil Science
- Stream Restoration
- Fire Ecology
- Habitat Restoration
- Trail Maintenance
- Ecocultural Restoration and more!

**Work hard, have fun, build your resume, make new friends, and get paid!**

Lomakatsi is fully committed to safety, and follows guidelines and best practices from the CDC, OSHA and other health leaders for operating safely during COVID-19.

**APPLICATIONS DUE MAY 21, 2021**
