ON-RAMP FORESTRY CAMP

TO NATURAL RESOURCE CAREERS

MARCH 23-26, 2026

For youth ages 16-18 from Jackson and Josephine counties

- Explore careers in natural resources and gain hands-on experience in ecosystem restoration at local sites
- Learn about Indigenous Traditional Ecological Knowledge
- Find out how to use basic forestry tools
- Learn about controlled burning and prescribed fire
- Earn CPR & First Aid certification

Work outdoors, get paid to train, and have fun this spring break!

Stipend of $50 per day, tools, safety equipment, lunch, and transporation will be provided.
