

SUMMER JOBS IN THE GREAT OUTDOORS

Youth Ecological Training Program

A 3-week, paid, hands-on restoration learning experience for juniors and seniors from Ashland—Medford—Central Point area high schools.

August 10 - August 28, 2020

40 hours/week | Monday-Friday | \$13/hour

Want to get paid to work outside, learn, and make the world a better place?

Join Lomakatsi to restore the forests and streams of the Rogue Valley. Using the Ashland Watershed and other natural areas as outdoor classrooms, you'll work on a variety of stewardship projects, build valuable job skills, and learn about career paths in ecology and natural resources.

Under the guidance of Lomakatsi's professional staff and guest presenters, you will take part in:

- Ecological Restoration
- Technical Forestry
- Ecological Monitoring
- Watershed Management
- Invasive Species Control
- Botany & Soil Science
- Stream Restoration
- Fire Ecology
- Habitat Restoration
- Trail Maintenance
- Ecocultural Restoration and more!

Work hard, have fun, build your resume, make new friends, and get paid!

Lomakatsi is fully committed to safety, and follows guidelines and best practices from the CDC, OSHA and other health leaders for operating safely during COVID-19.
